PREVIEW

Let's celebrate what God is doing on our campus! Join us for a special preview of our new auxiliary gym and middle school classroom space.

This will be a floating event for parents and students to come in, write Bible verses on the framing before drywall goes up, and pray over the space and the children it will hold.

Come be part of this meaningful time of reflection and appreciation on October 30th between 4:30 and 6:00 p.m. as we thank God for His continued blessings over BCA!

NEWS

🔥 Fire Prevention Month! 🔥

Our Pre-K through 1st graders had an exciting opportunity to explore a real fire truck, while our 2nd and 3rd graders took a special trip to the firehouse! They learned what it's like to be in a fire — even experiencing a simulated smoke room to better understand safety procedures.

A big thank you to the Burlington Fire Department for always partnering with BCA to help educate our students on fire safety and prevention. We're so grateful for their dedication and service to our community.

MIDDLE SCHOOL NEWS

Retreat 2025

Our middle school students enjoyed an unforgettable time at this year's retreat — filled with fishing, rock climbing, canoeing, paddle boating, sports, games, and so much laughter! Beyond the fun and adventure, students grew deeper in friendship, worship, and God's Word through powerful Bible studies and times of reflection.

It was an incredible opportunity to step away from the everyday routine and experience how God moves when we gather in fellowship. What a blessing to see hearts encouraged, friendships strengthened, and faith renewed!

High School

NEWS

First up was the PowderPuff game held in Gibsonville. The energy was electric from the moment the underclassmen took the field—and once again they emerged victorious, defeating the upperclassmen for the third year in a row. The crowd cheered, the girls played hard, and the school spirit was high. It was a great time for everyone who came out to support and celebrate.

Then, back at school in the BCA gym, came the VolleyBros game. The boys took on the challenge of volleyball and learned pretty quickly that serving and rallying are trickier than they look! The cheers echoed through the gym as teammates and classmates rooted them on. It was an afternoon of laughter, learning, and shared enthusiasm.

Huge congratulations to the Student Council for orchestrating both events so smoothly. Thanks especially to Lin Kim for his leadership in making it all happen. These events didn't just provide fun—they helped bring us all just a little bit closer as a community.

Here's to more events like this at BCA!
