## SCHOOL AND COMMUNITY

Burlington Christian Academy (BCA) is conveniently located in Burlington, between Greensboro and Durham, North Carolina and is the largest non-public school in Alamance County. Enrollment is comprised of students from Alamance County and surrounding counties in grades K-12. Diversity is important as we serve students from every socio-economic background in addition to international students from an average of five countries each year. The class of 2010 was the first graduating class from Burlington Christian Academy's newly established high school. The BCA High School is now in its twelfth year with an enrollment of 169 students.

BCA has enjoyed a long standing reputation of providing students with an excellent, rigorous college preparatory education within the context of a Christian worldview. Recognized as a school within the top 15% of all schools in the nation, BCA students score significantly above grade level on the *Stanford Achievement Test* and have exhibited exemplary performances on College Board's SAT and Advanced Placement Programs.

Our curriculum includes twenty-three Honors courses and ten Advanced Placement Courses in the core disciplines. These courses are provided on a traditional year long schedule. Students are also provided opportunities for dual enrollment in college courses at Alamance Community College, The College at Southeastern, and Elon University.
