(9:00 a.m.)

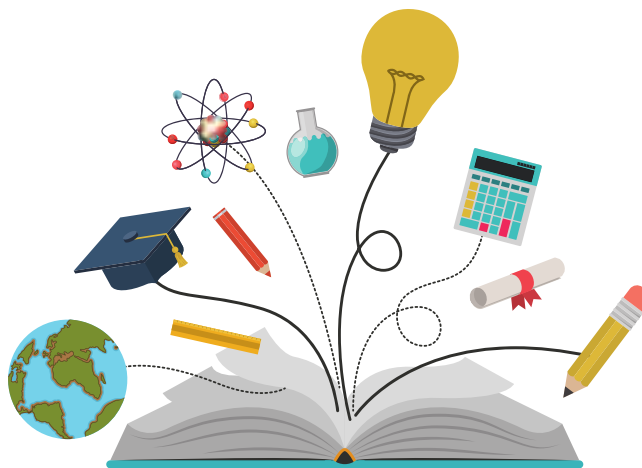

May 23rd– High School Graduation
(7:00 p.m.)

Parents In Prayer Committee

The parents in prayer committee have been praying for our students, families, and teachers as we wrap up another wonderful school year. We pray to you, gracious God, that as these last few weeks go by, please be with all our students and teachers as they prepare for field day, for exams, and for those starting a new chapter. We pray for safekeeping, courage, strength, confidence, patience, and grace. We thank You for the knowledge that has been gained this year, for the friendships and memories that have been made, and for all the obstacles that we might have faced. All this we ask in
Your name, Amen.

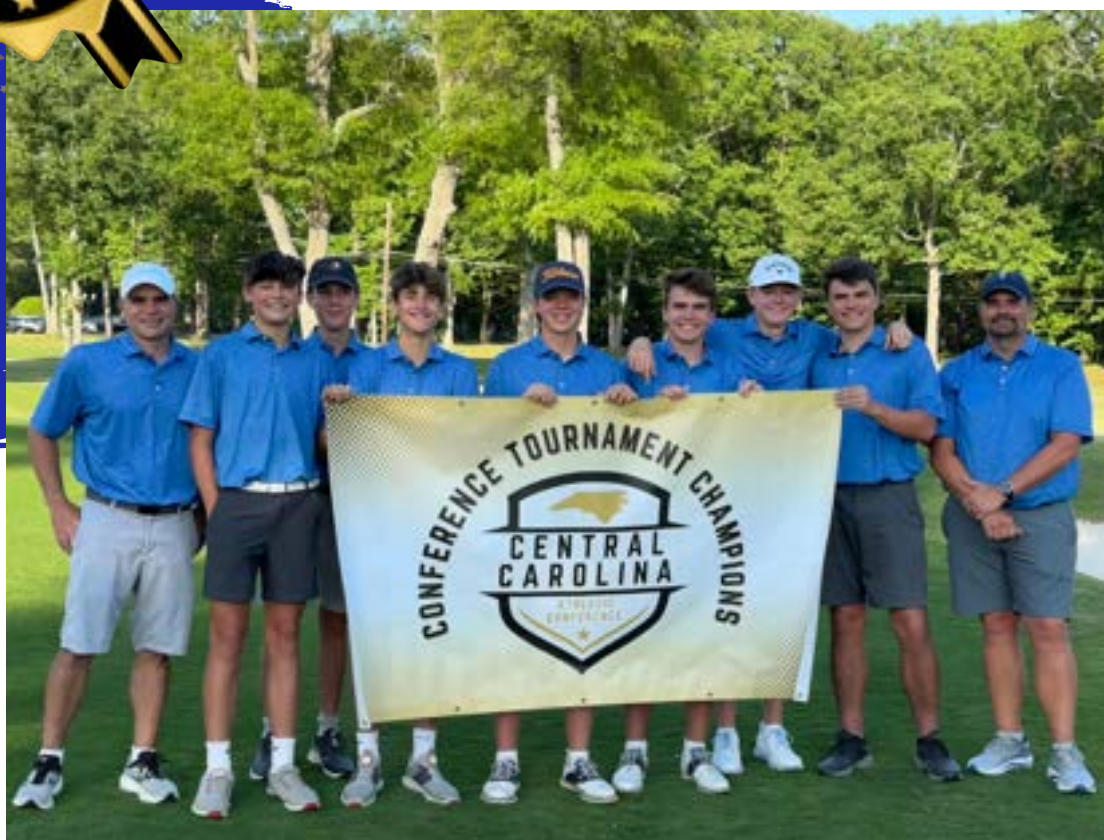

If you are interested in joining the parents in prayer committee, please reach out to Adriane Newbauer at adriane.r.newbauer@gmail.com

Preschool in Prayer

We are teaching our preschoolers the power of prayer. Even our littlest Royals know that prayer is talking to God. It is a privilege to hear some of the sweetest prayers spoken from the mouths of babes.

Be joyful in hope, patient in affliction, faithful in prayer. --
Romans 12:12

Lennox Maricle

They Ate BUGS!

Elementary School met the reading challenge of 170,000 minutes. They read 171,111, with Mrs. Sharpe's class pulling the number over 170,000.

Mrs. Pike and Mrs. Camons ate chocolate-covered coffee crickets, as promised.

BCA Eighth Grade Explores History on Capstone Trip

Last week, Burlington Christian Academy's eighth-grade class embarked on their capstone trip to Philadelphia, PA, experiencing firsthand the foundations of American history. Students toured Independence Hall, viewed the Liberty Bell, and explored the National Constitution Center. Midway through the trip, the group gathered for a meaningful time of worship at the Philadelphia Christian Center. Additional highlights included a visit to the Civil War Museum in Richmond, VA, and a spectacular performance of "Noah" at Sight & Sound Theatre in Lancaster, PA.

From Seniors to Sidekicks: 12th Graders Join Kindergarteners for a Sweet Easter Egg Hunt

The City Park playground was bursting with laughter and pastel-colored eggs last week as a group of graduating seniors teamed up with kindergarteners for a heartwarming Easter egg hunt. As part of the school's Grad-to-Grad mentorship program, 12th graders donned big smiles as they helped their tiny buddies fill baskets with hidden treasures.

The Grad-to-Grad program, which began in August, connects high school seniors with kindergarten students to build bonds, offer mentorship, and create a sense of community across grade levels. Over the school year, these pairs share story time, special projects, and seasonal celebrations. The Easter egg hunt, filled with fun and colorful surprises, marked one of the final joint events of the school year.

But the most touching moment is still to come. In May, when the seniors walk across the stage in their caps and gowns, they'll make a special appearance at the kindergarten graduation—cheering on their little friends as they take their own symbolic step forward.

“It’s a full-circle moment,” said one senior. “We’re celebrating their first big milestone just as we prepare for our own.”

As the school year winds down, the Grad-to-Grad program continues to highlight the power of mentorship, friendship, and tradition—showing that even as students grow and move on, the connections they build can leave a lasting impact.
