(Last Day for K5)

TEACHER APPRECIATION WEEK SCHEDULE:

Monday, May 4: Our administrative team will be hosting lunch for our amazing teachers.

Tuesday, May 5: Cookies & compliments — we will be providing cookies with sweet compliments/notes on them from some of our students. Cookies will be from Rose & Rae's Cafe.

Wednesday, May 6: Coffee Truck — we received a generous donation from a lovely family that will allow each teacher to receive a coffee/tea/non-coffee beverage.

Thursday, May 7: Our Preschool & Elementary School families will be providing breakfast for all our teachers.

Friday, May 8: Our Middle School families will be providing snacks for all our teachers.

Preschool

NEWS

Our preschoolers have been learning beyond the classroom through special field trips and hands-on activities. From exploring God's creation at Beth Schmidt Park to planting seeds and watching them grow. Despite having a field trip cancelled on Wednesday for our K3 students due to weather, they still had an amazing time riding the bus around town with an amazing playlist of tunes. As they care for their plants, they are also learning how God helps them grow—just like seeds—through love, patience, and faith.

5th Grade Wax

HISTORY

MUSEUM

Our 5th graders did an amazing job bringing history to life at our annual Wax Museum! From Michael Jordan to Helen Keller and so many figures in between, our students shared incredible reports and truly embodied the lives of these historical figures. We are so proud of their hard work and creativity—way to go, 5th grade!

MIDDLE SCHOOL

NJHS

Serving Others

Members of the National Junior Honor Society came together to serve our community by donating supplies and assembling "blessing bags" filled with essential items. With grateful hearts and a gentle spirit of faith, students were reminded of the importance of caring for others and sharing God's love through small acts of kindness. This meaningful project brought NJHS values of service, leadership, and character to life.

MUSEUM OF LIFE AND SCIENCE

Our 6th graders had an amazing time on their field trip to the Life and Science Museum in Durham! From holding butterflies to exploring interactive exhibits, the day was filled with hands-on learning, discovery, and lots of fun.

What a great day outside the classroom!

A Night in Paris: A Prom to Remember

This past Saturday evening, students gathered for a magical prom experience titled "A Night in Paris." The event was nothing short of enchanting, as the venue was filled with elegance, joy, and the spirit of celebration. From the moment students arrived, it was clear that this would be a night to remember.

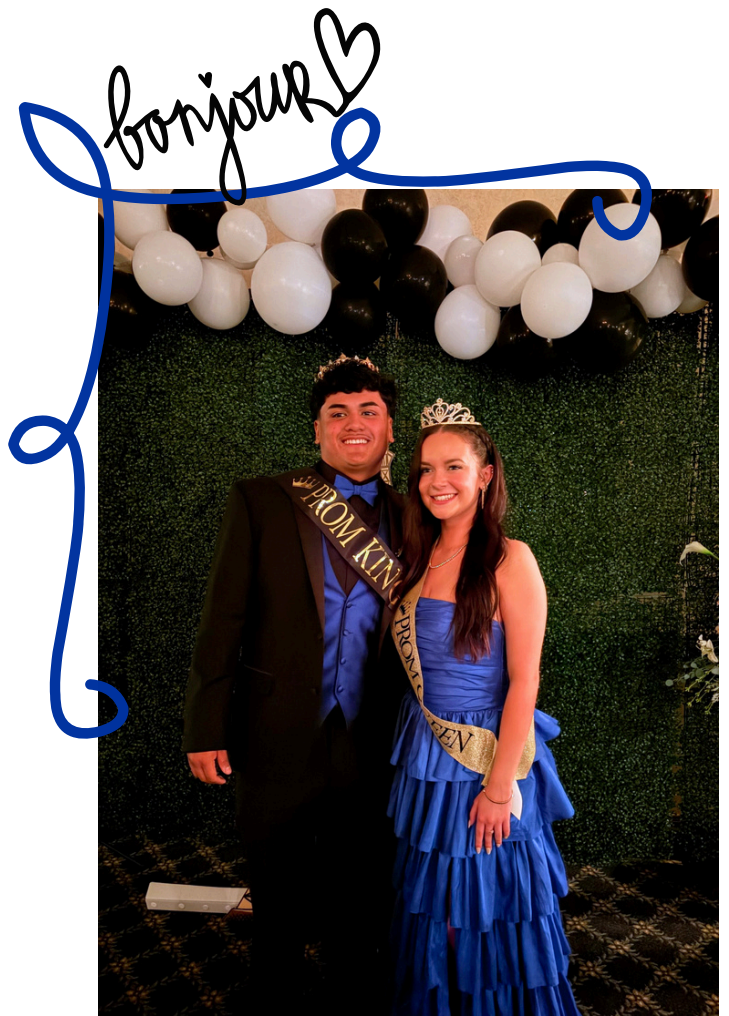

Everyone looked absolutely lovely. The students arrived dressed in their finest attire, creating an atmosphere of sophistication and charm that perfectly matched the Parisian theme. Laughter and conversation filled the room as friends captured memories and enjoyed every moment together.

The evening was made even more special thanks to the dedication and care of our amazing high school teachers, who ensured that students were well supervised and that everything ran smoothly. Their presence helped create a safe and welcoming environment where everyone could truly relax and have a great time.

A heartfelt thank you goes out to those who contributed to making the night so beautiful and enjoyable. Mrs. Flamenco generously donated the stunning flowers that added elegance to the décor. Mrs. Lanier delighted everyone with her delicious cupcakes, and in perfect harmony with the French theme, Mrs. Brown (Mr. Brown's wife) prepared exquisite French macarons that were a highlight of the evening.

One of the most anticipated moments of the night was the crowning of the Prom King and Queen. Congratulations to Katy Wright and Anthony Valdez, who were honored with these titles and celebrated by their peers.

Overall, A Night in Paris was a wonderful success—an evening filled with beauty, laughter, and meaningful memories. Thank you to everyone who played a part in making this event so special. It truly was a night we will cherish for years to come.

Prom King and Queen: Anthony Valdez and Katy Wright

Thank you
