Alumni Spotlight:

From BCA to a Career in Technology

We are excited to celebrate the journey and accomplishments of **Ben Moore**, a 2020 graduate of Burlington Christian Academy!

After graduating from BCA, Ben continued his education at Appalachian State University, where he pursued his passion for technology and earned a degree in Computer Science. He graduated from Appalachian State in December 2023, ready to begin the next chapter of his career.

In January 2024, Ben began working with Ally Financial in Charlotte, NC, where he gained valuable professional experience and continued to grow his skills in the technology field. Two years later, in February 2026, an exciting new opportunity opened up when he accepted a position with Cisco in the Research Triangle Park area. He currently lives in Cary, NC, where he continues to build his career with one of the world's leading technology companies.

While his professional accomplishments are certainly something to celebrate, 2026 brought another milestone that is even more special. In May, Ben asked the love of his life, Gabrielle, to marry him—and she said yes! The couple is looking forward to beginning their life together and will be married in September 2027.

From a BCA graduate in 2020 to a Computer Science graduate from Appalachian State, to building an exciting career with Cisco and preparing for marriage, Ben is embracing each new chapter with purpose and excitement.

We are proud to celebrate all that he has accomplished since his days at BCA and look forward to seeing where his journey takes him next.

RETREAT

Our 7th and 8th grade students enjoyed a special time away from the hustle and bustle of everyday life as they stepped into the beauty of God's creation for their Middle School Retreat!

Surrounded by nature and away from their daily routines, students had the opportunity to deepen their personal walks with the Lord, strengthen friendships, and build even greater connections with their classmates.

Through fellowship, laughter, and fun-filled activities, they were reminded of the importance of growing together in faith and encouraging one another along the way.
