EMPLOYEE SPOTLIGHT

HANNAH FULP

How long have you been teaching? I have been teaching for 6 years. This is my first year at BCA.

What brought you to BCA? - God 100% brought me to BCA. I had been prayerfully considering BCA for two years, and thankfully this year God said go!

What do you teach at BCA? - I teach four sixth grade math classes and one seventh grade math class.

Something you really want your students to learn in life: I want them to learn to be responsible, Christlike adults. I want them to have the skills to solve problems and learn early how to manage money. I want to teach them to be respectful of others, no matter the circumstances.

Any pets?- Yes, Cooper, he is a Yorkie. We also have six class fish and a snail.

Where are you from? Pleasant Garden, NC.

What other fun facts should we know about you? - We bought land and have almost finished building our house. We plan to start a family farm! Cows, goats, chickens, honeybees, veggies, and whatever else God has in store for us!

ALUMNI NEWS

Ashley Hackett

Ashley attended BCA from kindergarten until she graduated in 2014. Since graduating from BCA, Ashley has accomplished many great things. Her first step after BCA was to attend Elon University and receive her Bachelor of Science degree in accounting. Ashley found her career home right after graduating from Elon at Cobb, Ezekiel, Loy & Company P.A., where she is currently a senior auditor.

In her personal life, Ashley has a wonderful family that consists of

herself, her husband Ryan, and two adorable little boys, Hunter (3 years) and Drake (3 months). In June of this year, Ashley and Ryan celebrated their five-year wedding anniversary. Hunter carries on the family tradition of attending BCA, as he is currently in our K-3 program.

School Happenings

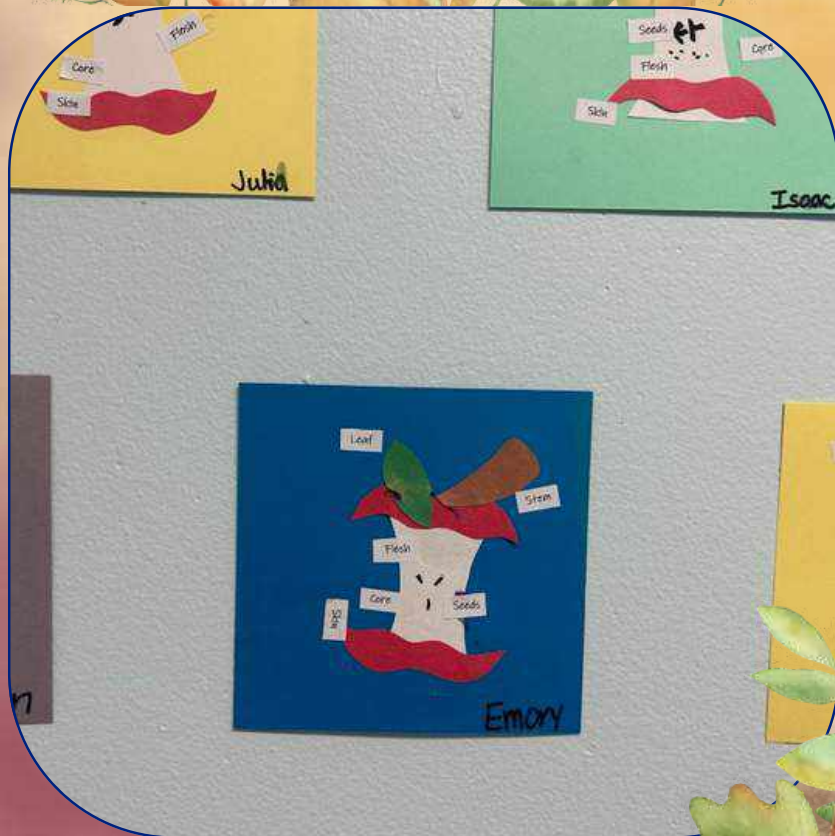

A sure sign that fall is almost here is when our preschool celebrates "Apple Week"! Our K3 and K4 students have taste-tested, colored, counted, and sorted apples. Our littlest Royals have participated in many hands-on activities as they learned the parts of an apple and how an apple grows.

Psalm ***85:12***

"The Lord
will indeed
give what
is good,
and our
land will
yield its
harvest."

School Happenings

Third graders read *Fly Away Home* by Eve Bunting, which is a story about a homeless child. We have created Blessing Bags to give to the homeless in our community.

School Happenings

These middle schoolers are learning how to make a joyful noise with their instruments while soaking in the happiness of just being in class together.

School Happenings

This week in chapel, the High School Praise and Worship team led worship with the guidance of Moriah Bias. We are so thankful for high schoolers who want to praise and worship God.

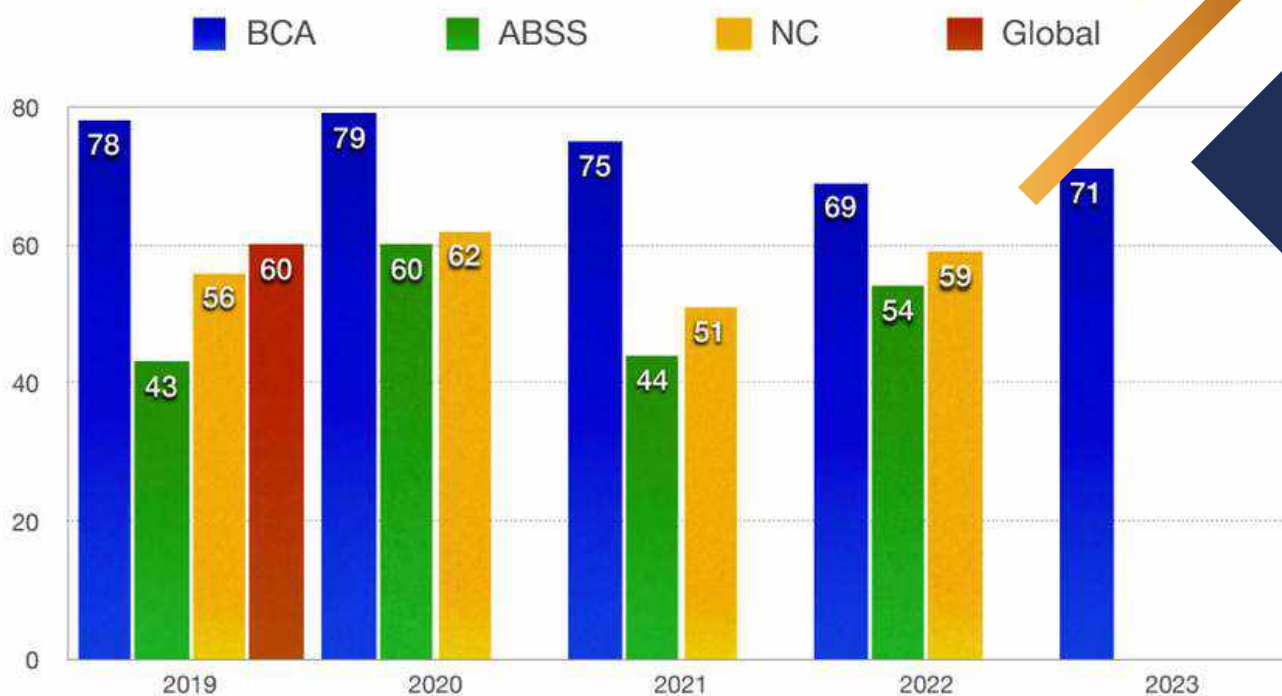

Psalms 86 : 12 says " I will praise you O Lord, my God , with all my heart and I will glorify Your name forevermore. "

Congratulations Royals!
