

Making the Choice: High Quality Christian Preschool at BCA

As you consider the value of a Christian high-quality preschool, consider God's Word:

"Start children off on the way they should go, and even when they are old they will not turn from it." - Proverbs 22:6

- **Number of Preschool Teachers/ Assistants: 18**
- **Average Years Teaching Experience: 10**

The Royal Beginners Preschool Program is a Christ-centered program that instills a love of learning through play and structure. We offer a loving, nurturing environment as our students learn and explore God's creation. Our program provides age-appropriate and creative experiences that stimulate creative minds and **prepare young students for success in kindergarten** and beyond.

Our experienced staff is dedicated and motivated in providing excellent care and teaching of the whole child. Our structured curriculum includes thematic units, art, movement and music, developing phonics for building a strong foundation for reading, number and math skills, language and motor skills, and so much more. Our goal is to see our three and four-year old students **develop spiritually, physically, emotionally, socially, and cognitively.**

Most importantly, attending BCA means becoming part of our ROYAL family. Each ROYAL is treated with love, respect, and kindness that comes from our purposeful desire to model the love and kindness of Jesus Christ before our little ones and their families.

At Burlington Christian Academy...

1. **You have a voice.**

As a parent you are the one who is closest emotionally, mentally, and spiritually to your child and who is most aware of your child's needs. You have the right, and God-given authority, to give input into your child's educational experience. We want you to partner with the school through frequent communication, participation in pre-school and all -school activities, volunteering when there is need and you are able, and becoming an active member of our ROYAL family.

2. **The Bible and spiritual habits such as prayer are purposely integrated into the curriculum and into your child's experience throughout he day.**

Your child will not only learn about animals but will learn how and why God created them. They will not only learn how to be patient but about a loving and patient God who loves them. Our ROYAL values permeate all your child learns, both through lessons and by godly role models in our teachers, classroom aides, our administration, and all of our BCA employees.

3. **We believe that each child is a unique gift from God, and that He has a perfect plan for each and every child.**

God makes no mistakes in His creation. As your child learns and grows in pre-school, we will value all developmental aspects of your child and communicate with you about areas of development, sharing concerns and praises all from the perspective that your child is fearfully and wonderfully made.

**WE INVITE YOU TO PRAYERFULLY CONSIDER
JOINING BCA'S FAMILY
AS A BCA ROYAL BEGINNER.**

Please contact BCA's preschool director, Mrs. Deborah Byrd, for further insight into BCA's Royal Beginners Program.
