Parents In Prayer Committee

The parents in the prayer committee have been praying for the faculty, staff, students, and families traveling to Europe—they leave Wednesday, March 26, and return Thursday, April 3. We pray that You may prepare their hearts for this trip. May they feel and know Your presence and see all Your beauty on this trip. Preserve them with Your loving care, protect them from every danger, and bring them in safety to their journey's end.

We also pray for all our families, faculty, and staff during spring break. For everyone adventuring near and far. We pray the journey they take be a time of growth, learning, and connection. May they all return home with a heart full of gratitude, joy, and rest.

If you are interested in joining the parents in the prayer committee, please reach out to

BURLINGTON ASSEMBLY OF GOD CELEBRATES 70 YEARS!

A Word from the Pastor,

Today, we celebrate what God has done from the day He first birthed the idea of establishing a Pentecostal Assemblies of God fellowship in the hearts of several couples here in the city of Burlington and Alamance County.

Thank you for being a part of our honoring and giving glory to the Lord for His great faithfulness to us as a church for over seventy years. Our sincere prayer is that not only will God be glorified, but all our hearts will be blessed as we together give him praise for all He has done and is going to do in the days ahead.

Our sincere desire is that you feel right at home as we continue to worship and praise the great name of the Lord Jesus together. He is the One who has done great things in so many hearts and lives, through so many ministries, in so many ways, through so many people on this campus, in our city, our state, our country, and literally around the world.

To our great God be all the glory!

Pastor Bryan Rainbow

JUNIOR CLASS

In D.C.

The junior class of Burlington Christian Academy recently embarked on an unforgettable trip to Washington, D.C., where they had the opportunity to explore the rich history and significance of our nation's capital. This annual trip is a highlight for BCA students, blending education, faith, and fellowship as they immerse themselves in the landmarks and institutions that shape the United States.

During their visit, students toured iconic sites such as the U.S. Capitol, the White House, and the Supreme Court, gaining a deeper understanding of the country's government and legal system. They also visited the National Archives to view foundational documents like the Declaration of Independence and the Constitution. Exploring the Smithsonian museums provided hands-on learning experiences in science, history, and cultures.

This trip included stops at the Lincoln Memorial, the Museum of the Bible, and the Holocaust Museum, where students were challenged to reflect on history's lessons and their impact on today's world.

Beyond academics, this trip strengthened the bonds of friendship and faith among students. Through devotionals and prayer, they were reminded of God's sovereignty in history and His calling on their lives as Christian leaders.

The BCA junior class returned home with lasting memories, a greater appreciation for the nation's heritage, and a renewed sense of purpose. This trip continues to be a cherished tradition at Burlington Christian Academy, inspiring students to grow academically, spiritually, and as engaged citizens.
