We are so excited to see your hard work,  
bravery, and creativity at auditions. Remember,  
auditions are about trying, learning,  
and growing.

# Worshiping JESUS

Recently, our preschool and elementary students have enjoyed some extra-special opportunities to grow in their faith and learn more about Jesus. During elementary chapel,

Dr. Martin joined us to share about the important work of Bible translators around the world. She taught students about the goal to have the entire Bible—or portions of it—translated into 7,000 languages by 2033 and encouraged them to pray for the translators and for this mission to be fulfilled.

In addition, both our preschool and elementary students loved coming together for Jesus Jam—a joyful time filled with worship through song and dance, games, and puppets, all centered on Jesus. It was a wonderful experience full of energy, laughter, and praise.

Thank you to Dr. Mary Martin and Christian Adventurers Youth Ministries for sharing your love for Christ and your passion for leading children in worship. We are grateful for your time and ministry with our students.

# A Middle School Art Project— From the Lesson Plan to an Affirmation of Your Identity in Christ

Lesson title:  
From Chaos to Called

Process:

Students created a collage out of recycled paper, covered it with a glue wash aka God's milk, cut out a silhouette of their profile which created negative and positive shapes, glued the outline to the collage, popsicle stick used as the base of their crown/a banner of truth, labeled it "My identity" in ransom font (magazine clipped letters) and then wrote down 6-8 truths on recycled paper of what the Lord declares about who they are in His words, used those strips as the points on their crown

Bible integration:  
2 Corinthians 5:17

"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"

Caption:

Chaos fades when God's Word renews our minds. What remains is the identity He designed from the beginning.

## CONGRATS

BLAKELEY BORK

ON OUTSTANDING CROSS  
COUNTRY ACHIEVEMENTS

Blakeley was recently recognized as an Honorable Mention for the 2025 All-State Team by High School OT as one of the top 50 girls cross country runners in the state of North Carolina. This is Blakeley's second consecutive year making the list.

## Way To Go, ROYALS!

Royals represented at Mebane's On The Move Reindeer Run. Elisha Morton finished first out of all 438 people running/walking. Blakeley Bork was the first female to finish. The Tucker family, the Morton family, Addie Jefferies, and Tara Farmer were also among those who participated. Go Royals!

# ROYALS

🕒 6:40 PM

📍 THOMPSON GYMNASIUM

CONGRATULATIONS TO OUR HS  
GIRLS CROSS COUNTRY STATE  
CHAMPIONS!

Honoring Consecutive State Championship Titles

# Seniors Soar Early: Class Celebrates with a Disney Trip Before Graduation

This year, the senior class at BCA decided to kick off graduation celebrations a little early—and they did it in style! Instead of waiting until the last day of school, our seniors packed their bags for an unforgettable Christmas trip to Disney World. Between thrilling rides, park parades, and late-night laughs, students made memories that will last a lifetime as they prepare to embark on the next chapter beyond high school.

Whether it was conquering Space Mountain, snapping pictures with favorite characters, or enjoying the fireworks over Cinderella's Castle, the trip brought together classmates, strengthened friendships, and gave everyone a joyful moment to savor after years of hard work.

# Celebrating Isn't All We Do – Commitment to Excellence Matters Too

While we love celebrating our students, we also take great pride in their academic achievements.

Last week our school was honored with a prestigious distinction: BCA was named to the 2025 AP School Honor Roll by the College Board.

This recognition reflects more than just participation – it highlights a strong college-going culture, where:

- A significant portion of the graduating class took at least one AP exam, demonstrating readiness for college-level work.
- Many students scored a 3 or higher, earning potential college credit before stepping foot on a college campus.

The AP School Honor Roll showcases schools that are fostering opportunities for students to excel academically and maximize their future educational outcomes. Being named to this honor roll is a testament to the dedication of our students, teachers, and counselors, all working together to help every student reach their full potential.

*Thank you*
