

## HS Summer Learning (English, Math, Science)

### HS Summer Reading

#### Rising 9th

CP - No Summer Reading

Honors - Read the Chapter 3 (An introduction to Analysis) - This is attached as a PDF. Complete questions on the noted pages with the attached handout.

#### Rising 10th Grade

CP - No summer reading - They can **CHOOSE** to get ahead by reading Lord of the Flies and completing two annotations per chapter and answer the questions. But we will start with this book at the beginning of the year. So they do not HAVE to read it over the summer. They can if they want to get a jump on the year.

Honors - No summer reading - They can **CHOOSE** to get ahead by reading Lord of the Flies and completing five SPECIFIC annotations per chapter and answer the questions. But we will start with this book at the beginning of the year. So they do not HAVE to read it over the summer. They can if they want to get a jump on the year.

All instructions are on the handout with the lord of the flies information at the top.

#### Rising 11th Grade

CP - No Summer reading (Unless the new teacher would like to assign anything)

Honors - No summer reading (Unless the new teacher would like to assign something)

AP Language - They will choose a non fiction book and take notes. Instructions are on the handout.

#### Rising 12th Grade

CP - No summer reading (Unless the new teacher would like to assign something)

Honors - No summer reading (Unless the new teacher would like to assign something)
